

JUNIOR HAWK

White Hawk Country Club 2024

Newer golfers (no bad habits!) are invited to start their golfing career with us. **These beginner classes will be an introduction to golf** with an emphasis on general swing motion, solid ball contact, and learning to play the game safely. We will use “Fundamentals” and “Learn to Play” for the young athlete to develop agility, balance, coordination, and speed. This class will be conducted by the Golf Professional Staff with assistance from the golf service staff. **Your career has started, but wait, now it’s time to play!** Our facility has many different golf course options, see you on the first tee!

- A four-day session, with each class lasting 90 minutes, scheduled throughout the season for **boys and girls age 9 to 13**, sign up is limited. Each session will have similar teaching content, schedule listed below. Fall schedule to be determined.
- Cost is \$125 per session and advanced sign up is required. Class size is limited. See our website for registration links.
