MEMBERSHIP FREQUENTLY ASKED QUESTIONS

Q: How long is the membership valid for?

A: The membership is for the calendar year of January to December (Promotional Pay Now, Play Now may include the remainder of a given year with the entirety of the membership year) and includes golf, cart use and unlimited range balls. Play is unlimited except for periods of scheduled outings, leagues, tournaments, and any other events.

Q: If I don't use my membership, can I get a refund?

A: All golfers are subject to the rules and regulations of White Hawk Country Club and no refunds of membership payments allowed for any reason.

Q: Who can charge my Member House Account?

The member and those listed in the membership contract are responsible for all charges made. Your picture can be matched to your account.

Q: If I charge to my Member Account, when do I pay that bill?

A: To avoid late fees, finance charges, or suspension of membership, all account balances are due by the last day of the month following the statement date.

Q: In addition to the Membership dues, are there spending minimums required?

A: There are no monthly spending minimums required for golf or food and beverage.

Q: How long is the golf season?

A: Lasting as long as the weather permits from January 1 to December 31. White Hawk Country Club retains the sole discretion to close the course for any reason.

Q: Are Members allowed to play golf in the winter?

A: Winter access to the course, Early-December to Mid-March 15, will be determined by the course superintendent, and may include member only play, temporary greens in the fairways, and limited use of designated courses or holes.

Q: What time can a member golf?

A: Course availability will be determined by sunrise and sunset times which vary throughout the season. Timing may be restricted to allow the course Maintenance Department sufficient time to ready the course for daily play.

Q: White Hawk Country Club has four 9-hole courses. Can a member play whatever course they want?

A: Course rotations (a combination of two 9-hole courses to equate an 18-hole rotation) are important to follow because of maintenance scheduling and staff management. A weekly course rotation will be established in advance by the Director of Golf in conjunction with the Course Superintendent.

Q: If I join as a Member and live on the golf course, can I play whenever I want?

A: Members with private carts starting from their homes must check in with golf shop in advance of play so they can be notified of special cart rules or golf events for the day.

Q: If I join, can I use the cart paths as a recreational walking path when I am not golfing?

A: Non-golf traffic on the course and cart paths is prohibited. Cart paths are for golfers only.

Q: As a Member, can I go out with a guest and play golf without checking in?

A: All guests of members must be checked in and paid for with the golf shop before playing to avoid being automatically billed to the member account.

Q: As a Member, does a guest of mine receive a discount when playing with me?

A: Guest fee discounts apply to green fees during the regular season for regular rates (10% discount). Discounts cannot be applied to already discounted green fees (*i.e.*, Spring Rates, Senior Rates, 9-Hole Rates). Limited to three guests per day.

Q: Does White Hawk Country Club host golf outings?

A: Yes, White Hawk Country Club hosts a number of golf outings throughout the year. Once the golf outing is contracted and added to the annual calendar, White Hawk Country Club will communicate the outing dates to the membership in advance.

Q: Is there is a golf outing, can I still play?

A: Most of the golf outings that are booked are 18-hole rotation golf outings. When there is a 36-hole rotation golf outing, White Hawk Country Club will take all considerations regarding membership access to the course. Special member only blocking may be done for days/times when there is outing and league play. Member tee times will be needed for these allocated times, as they may be limited.

Q: As a member, when playing, do I pick the course that I want to play?

A: Golfers will be designated to one of two course rotations based on their reserved starting time. If looking to change, adjustments will be managed by the Starter/Ranger staff.

Q: What time do the practice areas close?

A: Exact timing may adjust based on maintenance needs, season, and daylight. Most of the season, the practice area will close one hour before sunset.

Q: As a Member, if I am unable to show up at the starting time that I scheduled, do I need to cancel?

A: Yes. Starting times are extremely valuable to White Hawk and repeated failure to use a reserved starting time will result in forfeiture of the advanced starting time privilege.

Q: As a Member, is there a dress code?

A: Proper golf attire is required at all times on the course and the practice area.

Q: As a Member, can me and a guest or another member get separate golf carts when playing?

A: Cart usage will be two golfers per cart, when applicable.

Q: As a Member, do I have to pay a cart rental fee?

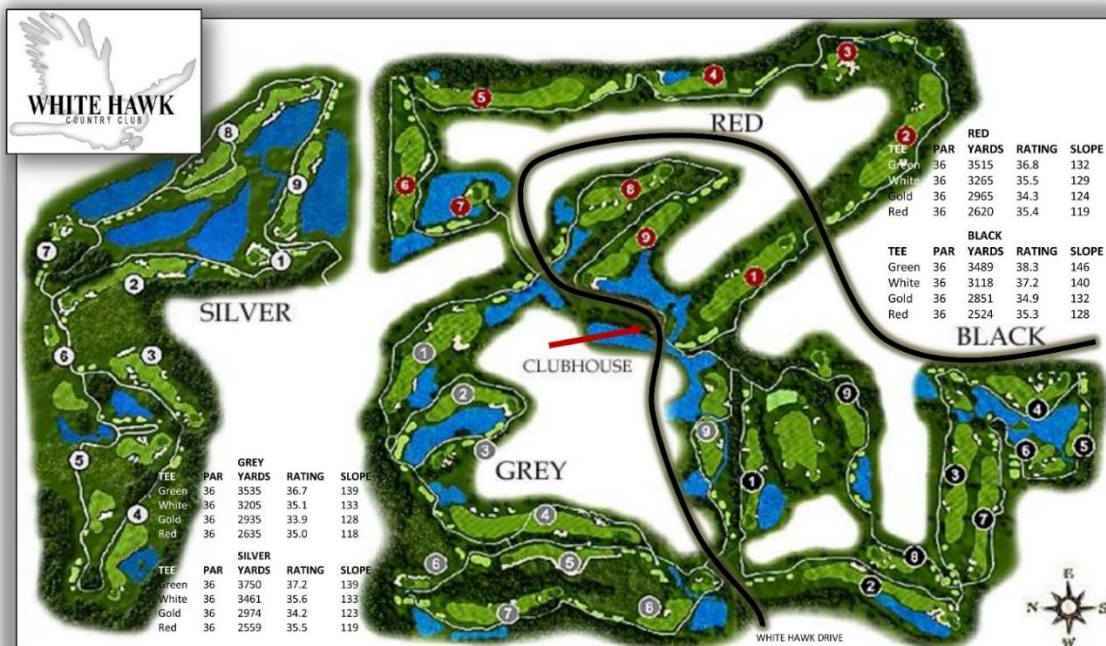

A: Cart rental fees will be paid by all public golfers, no cart fee for members (*included with membership dues*).

Q: I am a Member and I have a personal golf cart. Do I have to register the cart with White Hawk Country Club?

A: Yes. Please speak with the Golf Shop to receive the needed forms. Personal carts registered with the office will be required to display an "approved" sticker. Personal carts cannot be used until the agreement is on file. Note: Non-members riding in a private cart are subject to applicable cart rental fees based on number of holes played. The fee can be paid with greens fees in the golf shop or member charged.

Q: How does the Country Club contact me to communicate Member related events and updates?

A: The majority of correspondence is through email and our website. If you are having issues with our emails, please check your security settings and allow White Hawk Country Club email addresses to be accepted. If your main email address changes, please be sure to update your account information to reduce the chance of missing important information.
